GENERAL INFORMATION

LOCATION—The Show and Sale will be held in the arena of the judging pavilion at the Saline County Fair Grounds at Salina, Kansas, on Thursday, April 4, 1968. The headquarters for the sale will be at the Holiday Inn.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off, but the management will attend to loading on cars and trucks in compliance with instructions from purchaser.

GUARANTEE—All cattle will be sold under the guarantee of the American Shorthorn Breeders' Association.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

Where footnotes appear in this catalog, they are furnished by the consignors or written from information supplied by the consignors.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

BIDS—Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Milton H. Nagely, Abilene, Kansas; to Ted Aegerter, of American Shorthorn Breeders' Association, Seward, Nebraska; to the auctioneer, Dick Kane, Wisner, Nebraska, or to the press representatives, Bob Hudelson, Kansas Stockman; Mike Wilson, Kansas Farmer, Muscotah, Kansas, or Bill Stunkel, Shorthorn World, Fremont, Nebraska.

SALES MANAGER'S MESSAGE

Mid-Kansas Shorthorn sales have made it possible for Shorthorn breeders over Central United States to purchase breeding stock at a competitive show and sale. The sixty Shorthorn bulls for our 1968 spring sale represent some of the top Shorthorn breeders in the United States. Lots 33, 46 and 68 are Polled Shorthorns.

If you are in need of a herd sire for either a purebred or commercial herd, don't miss this 1968 Mid-Kansas Shorthorn Sale.

More cattlemen are realizing the value of cross breeding. Shorthorn cattle are known for that extra weight for age, plus their quiet disposition that makes them easy to handle. Always a large percent of the Shorthorn bulls in this sale are purchased for cross breeding.

The females in this sale are a choice offering consisting of cows, bred heifers close to calving and some fancy heifers that would be a credit to any herd.

Remember, this is not a new sale. Buyers from California, Texas, Idaho, the Dakotas and the Central States have bought in this sale. If you are in need of Shorthorns, be in Salina, April 3rd and 4th.

Plan to attend the informal Banquet Wednesday, April 3rd, 7:00 p.m., Holiday Inn, on the 81 By-Pass west of Salina.

This general get-together is open to all. Come as you are. If you have not made reservations, come anyway. If you cannot attend this sale, you may phone or send mail bids to the sale manager, or any of the representatives. To contact sale manager for any late messages or bids, phone Salina Chamber of Commerce.

STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Here is one of the best we have produced in the past thirty years. We labeled him red bull insurance at an early age. Even though we haven't needed him in our small herd, he shares top honors here with his sire. We are proud of his calves. Note the strong Constructor-Mercury pedigree. His dam is a large, sound cow—a good milker and a regular producer. The get of W L Marshal are admired for their character, length, quarter, meatiness, trimness and bone. W L Marshal's dam also produced Easterlovat Constellation, the \$7,000 International sale Champion used with much success by Michigan State University. We sincerely believe MARSHAL'S FIRST will be one of the better young proven sires offered at auction anywhere this spring. Last summer he ran the pasture with ten young females. On February 10th he weighed 1,900 pounds on a state-inspected public scale. He is proof that size and quality can come in the same package. Must be seen to be appreciated. We would like to retain a one-third interest.

ROTHNEY WELCOME—I bought this son of Louada Cupbearer at the Canadian International Bull Sale last year where he won his class. He was also the grand champion bull at the Calgary Exhibition and Stampede Show in 1966. Welcome is an exceptionally long bull with ample bone and substance. He is in good breeding condition, having served over 50 cows last summer. Again, if I were not going out of the cattle business, this bull would not be for sale.

KAR BURN REVIEW 4th—I feel confident that this bull is one of the best ever produced at Kar-Burn Farms. He has the extra length, heavy bone, strong head and natural fleshing ability needed in a stock bull. The breeding behind him represents the best cross we have had in some time. If I were staying in the cattle business, this bull would never leave the farm.
